### SHORT PROFILE

On 1 April 2015, BayWa r.e. acquired the service business for renewable energies of Deutsche Immobilien Leasing GmbH, a wholly owned subsidiary of Deutsche Bank AG. The acquisition related to 50 contracts for providing mainly commercial services to renewable energy plants. The team of six staff in Düsseldorf were also part of the acquisition. This team currently looks after projects with a total nominal output of approx. 300 MW. With this acquisition, the total output of such plants for which BayWa r.e. is responsible, has increased to a nominal output of around 900 MW.

### HISTORY

- 04/2015 Incorporation of BayWa r.e. Asset Holding GmbH into the BayWa Group (as the Düsseldorf subsidiary) through the acquisition of the service business, (6 staff from Deutsche Immobilien Leasing GmbH, a wholly owned subsidiary of Deutsche Bank AG). Offices remain at the old Deutsche Immobilien Leasing GmbH premises.
- 10/2015 Foundation of the Düsseldorf subsidiary with new office premises on Berliner Allee 59, (10 staff)
- 06/2015 Official inauguration of the new subsidiary.
